Payer sends Agency the patient in HHAExchange.

> Payer-Managed Patient Placement Workflow

> Key Takeaways

Throughout today's training presentation, you will see this icon. It highlights important information, which we will summarize as key takeaways at the end of today's training.

Review Placements

EVV Foundations Forest

How to review confirmed placements

1. Select Accepted with No Master Week on home screen
2. Click on patients name to review placement details
3. Review authorization details and then close.

Note: Ensure your office setup configuration is correct.

EVV Foundations Forest

How to update patient information

1. Review patient information.
2. If needing to add a secondary address or phone number, you can by clicking on edit.
3. The caregiver employment type must match member discipline to be scheduled.

Note: *Editing demographic information or adding address or home phone numbers will not synch back to FL AHCA.*

EVV Foundations Forest

How to run a patient report

1. Navigate to Report Menu, click on List of Patients (Ent)
2. Select the filters that you would like to view. Select print excel.
3. Review and validate address and phone numbers where EVV is to be captured.

EVV Foundations Forest

How to verify auths/orders

1. Search for patient.
2. Click on Auths/Orders tab (left side)
3. Review the auth details, service code, discipline, from – to date.

EVV Foundations Forest

How to add diagnosis code

1. Search for patient.
2. Click on Auths/Orders tab (left side)
3. Click on ellipsis under actions column, click on view/edit. Click on add, under billing diagnosis code.
4. Ensure you are making it a primary

Note: *Diagnosis code can be added under the Contract/Insurance Tab.*

Scheduling

EVV Foundations Forest

How to schedule a single visit

1. Select the calendar date.
2. Select new non-skilled visit.
3. Add the scheduled time, caregiver, primary bill to, service code and select save.

Note: *If the employment type does not match member discipline the caregiver cannot be scheduled.*

EVV Foundations Forest

How to schedule a master week

1. Select master week tab > add master week.
2. Select the hours hyperlink.
3. Add required fields, days of week, and click save.
4. Select save again, and update calendar to being the rollover.

Note: When creating a master week, you must update the schedule to the member calendar to initiate the roll over.

Provider Training Scheduling DEMO

Key Takeaways

Key takeaways

-  Editing demographic information or adding address or home phone numbers will not synch back to FL AHCA
-  Diagnosis code can be added under the Contract/Insurance Tab.
-  When scheduling, if the caregiver employment type does not match the patient discipline, the caregiver cannot be scheduled.
-  When creating a master week, you must update the schedule to the patient calendar to initiate the roll over.
-  Ensure your office setup configuration is correct, TIN/NPI and Medicaid ID.
